Dear museum visitors,

Welcome to the museum of the Rijnmondband from Schiedam.

Today, a new showpiece is being added to the collection:

“a priceless diamond.”

A diamond that symbolises dreams, ambition and the creation of unforgettable memories.
A Sparkling Desire.

But... will the members of the Rijnmondband get their hands on this diamond?

What begins as a perfect plan turns into an exciting adventure full of challenges.

Led by drum major Damien Kweekel, the Rijnmondband presents:

Sparkling Desire!
